Autumn term 2

News 7 December 2023

Reception nativity

What a lovely way to round off our Christmas celebrations with parents as our youngest children showed off their considerable talents in their Nativity performance yesterday. Such confident individuals, who clearly loved performing, put on a great show. Thanks to all the staff involved, it takes a lot of hard work to get to this stage. It was a pleasure to watch.

Pupil book share

We would like to invite parents into school on Thursday the 21st of December at the end of the day to catch up with their children's work. All of your child's work this term will be available for them to share with you

Seasons greetings

All of us here at Florendine would like to wish you and your family, a very Merry Christmas and a Happy New Year. It's been a long term and the children and staff are all ready for a well-earned break. They have all worked really hard and we look forward to doing it all again when they return on Tuesday the 9th of January 2024. I hope you and your family get to share some quality time together over the break.
