R/KS1 cake sale

Our school council have a target to raise £300 to get our defibrillator installed outside school. R/KS1 children will be holding a cake sale on the last day of the half-term (9th) to raise funds towards this.

Defibrillator

As you will be aware, speedy access to a defibrillator is a potential life-saver. We are very keen to have one installed outside the school gates accessible to all. It will then become part of a public network once installed by our front gates
