## #LetGirlsPlay

Great to see so many girls, from all year groups, take Mr Roberts up on his offer of a kick around on the field last Friday. What a great initiative.

## Denmark to Hodge lane

Mrs Williams'/ Hodkinson's children made the most of another valuable resource on our doorstep as they visited Hodge Lane nature reserve just down the road. Insect hunting, pebble painting and lots more. If you are interested there's more information about the site here. [Hodge Lane](#)

## Y4 to the castle

All of our Y4 pupils set off to Tamworth castle on Thursday morning for some Anglo-Saxon story telling on World Book Day. The children were a credit to the school, had a fantastic time and these sort of events, really do help to bring history to life. A brisk walk into town was well worth the effort to access this free resource provided by the castle.

A wonderful morning of Anglo Saxon Storytelling at Tamworth Castle

## Times table masters

Congratulations to Rosie-Mai C in Y5 and Nellie-Mae P in Y4 for achieving their complete mastery award and medal this week. They have shown tremendous determination and resilience and finally nailed it. Well done girls.

## Star learners

No star learner assembly last week on Friday as all of our Reception children's mothers were invited in for a Mother's day breakfast assembly.

## Book fair

Thank you for supporting our recent book fair in school. The purchases you made have enabled the school to get an additional £260 of new books for our library.

## Parent consultations

Consultations will take place for R-Y4 children w/b 15<sup>th</sup> April. You will be invited to book your slot from Friday 22<sup>nd</sup> of March. There is one face to face evening again for those who prefer.

## Comic Relief/Red Nose Day
